Dear Zack,

Glory to Jesus Christ!

Thank you for your generous donation of 2.5-ton York air conditioning system, model #H1ZD030S06A, serial #W0E7753477, which has been installed in our rare-book library. Your assistance is greatly appreciated.

The recent thefts at the Monastery are unprecedented in our small town. I suppose it is indicative of the overall economic situation. But these thefts have resulted in thousands of dollars of unplanned expenses for the Monastery, not just in the replacement of items, but in securing them and in securing other areas of the property. Not everything that was stolen will be covered by insurance, and even then, things are depreciated and we have a \$1,000 deductible. But with God's help, we have been put into contact with loving people such as you who have been providing assistance.

Please keep us in your holy prayers, and know that you are remembered in our daily services. May your summer be blessed (and cool).

In Our Lord Jesus Christ,
